Gina,

Attached is the FEATS report for the time period July - September 2017.

The report has Ecology's overall report, plus 4 FEATS reports - 3 from our current sub-grantees and 1 from a contract.

I made a mistake on the time period, so on the 4 FEATS reports you'll see that they cover July - October 2017.

Please let me know if you have any other questions.

Subject: October FEATS report for Tox Nuts

Hi Ron and Diane,

Happy Friday!

I am spending the day reviewing FEATS and have not seen one for Tox Nuts (rounds 5-6). I know you all have been busy with closing out 1-4 but was wondering if you have sent FEATS for 5-6? Maybe I missed it?

Thanks!

Gina
